GIBBES's WHARF,

At SOUTH-BAY,

BEING now capable of admitting Vessels of any Burthen, to load or unload at it, the Subscriber will be obliged to all those Persons who will favour the said Wharf with their Business, as he has been at great Expence and Trouble in making it convenient, especially to Boats that pass down *Ashley River*; which, by unloading there, will avoid the many Risks and Inconveniencies they are exposed to by going round White-Point, and which are very obvious to every discerning Person, more particularly open Boats: And, as it is of Public Utility, by being a Security to the South-West Side of the Town, he hopes for the Public Patronage.

His Friends, the PLANTERS, need not be under any Apprehensions of RICE not selling as well there as at any other Wharf, as has been experienced during the last and present Year, as very little Rice has been stored there from the quick Sale of what has been landed there; And having had Assurances from many respectable Gentlemen, both in the Planting and Mercantile Interest, of their friendly Intentions to send Vessels there to load, being convinced of the Safety of that River, and the Convenience of the Wharf and Stores, with the Dispatch they meet with; he likewise flatters himself, that the many Persons that use it as a Ferry, and do not land their Crops there, will not have any Objections to contribute to the Support of it, by an annual Subscription.

He has fixed a SCALE-HOUSE at the Head of the Wharf, for the more convenient weighing of Rice that may be sold on landing and to be immediately shipped, and will, as soon as it is necessary, add to the Number of Stores.

From the Quantity of LUMBER already shipped from thence, it is evident no Place in Town is more proper for that Article, as well as for NAVAL STORES.

All Vessels shall, for their BALLAST, be entitled to their Wharfage and Water, with Liberty to heave down and clean, as a proper Place is fixed for that Purpose, and to which the Pilot-Boats are also welcome.

WILLIAM GIBBES.

☞ FIFTEEN very convenient, pleasant and well-situated LOTS of LAND, contiguous to the Wharf, on a good Clay Foundation, and have as good Water as any in Town, to be disposed of by private Contract, upon easy Terms, and the Purchasers shall have the Privilege of landing at the Wharf, gratis, their Materials for building thereon.

JUST IMPORTED,

In the BRITON, Captain UAQUHART, from LONDON, and to be SOLD cheap, in the Package,

A PARCEL of exceeding fine wilted and plain SADDLES;—Mens and Womens SHOES, with some low-priced LINENS. For further Particulars, enquire at MACKENZIE & MORCRIEFF's Store on the BAY.

CHARLES-TOWN, FEBRUARY 13, 1775.

ON Wednesday the 8th Instant, on Motion in the Upper House of Assembly, to discharge a Resolution for the then reading a third Time, a Bill to prevent counterfeiting the Paper-Money of other Colonies, and to appoint Saturday for the reading of the Bill. The following PROTEST was made:

DISSENTIENT:

BECAUSE the Reason assigned for postponing the reading of the Bill, to wit, the sudden Indisposition and Absence of two Members of Council (who are Crown Officers) is by no Means, in my Opinion, so substantial, as to make the Measure prudent; especially when we reflect, that by an *express Resolution* on the Journal, the Bill was appointed to be read on this Day. For although these Members are Crown Officers, yet their Presence is by no Means so necessary, as that by Reason of their Absence we should violate an express Resolution, or even postpone reading any Bill lying before his Majesty's Council; the Number of Members present on this Occasion, having often transacted Business of a similar Nature in the Absence of these Gentlemen. ——Indeed, the Experience which we have just had of the Consequence of a Delay to proceed in the public Business, ought to instruct us to avoid a new Delay upon the same Principle. On Friday last the Bill was to have been read; but because of the Absence of one Crown Officer, such others as are of his Majesty's Council, caused the reading of the Bill to be postponed to this Day: a Delay which instead of adding to our Number, has diminished it, for now two Crown Officers are absent. In short, so far am I from being of Opinion, that the postponing the public Business to Saturday will be of any Utility; that, on the contrary, to me the Measure seems pregnant with Mischief: For if those Gentlemen should not then be able to attend in Council, and the Chief Justice should be suddenly indisposed with the Gout—a Complaint with which he has been often very critically seized, there would not be any Probability of our doing any public Business whatever. And even if those Gentlemen should recover, yet the Chief Justice might be critically indisposed; and as the Bill has already been postponed because of the Absence of one Crown Officer, *ib.* upon the same Principle would it be expected to be again postponed—and probably continue to be *de die in diem*.—A Procrastination, which in the Eye of the Public might appear to be a wanton sporting with their Interests—to betray the Trust reposed in us by the King—to be detrimental to the public Service; and contemptuous to the Representatives of the People.

WILLIAM-HENRY DRAYTON.

Last Saturday a Bill "to prevent counterfeiting the Paper Money of other Colonies," passed His Majesty's Council. It is thought that its Passage was facilitated by a certain Protest relative to it on Wednesday last. In the Year 1773, a similar Bill was delayed in the Council, so as to be lost by a Prorogation. And the Circumstances relative to the Bill being exactly the same now as they were then, Future Events demonstrates, that the Proceedings of Councils are not always uniform, or the Effects of judicious Deliberation.

MONDAY, FEBRUARY 13.

THIS Day his Majesty's Council, consisting of three Persons, presented the following ADDRESS to his Honour the Lieutenant-Governor.

SOUTH-CAROLINA.

To the Honourable WILLIAM BULL, *Esq; Lieutenant-Governor and Commander in Chief, in and over his Majesty's said Province.*

MAY IT PLEASE YOUR HONOUR,

HIS Majesty's dutiful and faithful Subjects, *the Council* of this Province met in General Assembly, with Reluctance approach your Honour on a Subject of so disagreeable a Nature, as a Complaint against one of their Members, the honourable William-Henry Drayton, Esq.

Although the general Tenor of Mr. Drayton's Conduct for a *considerable* Time past, would not only have justified, but seemed to call for a Representation from this House, to your Honour; yet anxious to avoid every Measure which might appear to have a Tendency to infringe upon the Rights of an Individual, or the Privileges of a Member, we have hitherto delayed to lay before your Honour our just Causes of Complaint, and have submitted to many Insults and Indignities offered to individual Members, as well as outrageous Breaches of Privilege committed against this House.

But as we are now thoroughly convinced that Mr. Drayton's Conduct has been, and still continues to be influenced by a determined Purpose, as far as in him lies, not only to destroy all Confidence of the People in this House, and to bring it into Contempt, but to subvert the Constitution and unhinge Government, to be longer silent would be highly criminal; and we conceive ourselves bound both by Principles of Duty and Affection to his Majesty, and Justice to ourselves, humbly to request your Honour will be pleased to suspend the honourable William-Henry Drayton, Esq; from being a Member of his Majesty's Council in this Province.

In the Upper House of Assembly,
the 11th Day of February, 1775.

By Order of the House,
JOHN STUART.

To which his Honour the LIEUTENANT-GOVERNOR, was pleased to give the following ANSWER:

Honourable Gentlemen,

BEFORE I take any Step in Consequence of this Address, I desire you to lay before me some of the Facts upon which your Complaint against Mr. William-Henry Drayton is founded; and upon due Examination thereof, and of his Answer, I shall take such Measures as are agreeable to Justice, and for the Service of his Majesty.

Feb. 13, 1775. WILLIAM BULL.

Before signing the above Address, Mr. Drayton claimed Leave to enter his PROTEST *against it, which is as follows:*

DISSENTIENT

BECAUSE the Hon. John Stuart, Esq; Superintendant of Indian Affairs, being a Counsellor, not vested with the Powers of the ancient twelve, ought not to have any Precedence among Counsellors upon that Establishment, vested with superior Powers; and therefore ought not, as eldest Counsellor present, to sign any Paper in Council; an Act manifesting a Possession of superior Rank. Mr. Stuart is incapable, as eldest Counsellor, of taking Rank as President and Commander in Chief of the Colony; and, in my Opinion, this Incapability and the Appointment to the Council in each Colony in which he is Superintendant, obviously demonstrate, that the Appointment was calculated to enable him the better to execute the Duties of his Office, and not intended to authorize him constantly to interfere in the merely domestic Legislative Affairs of any such Colony, in which the Nature of his Office or Pleasures should, at any Time, make his Presence necessary or convenient.

2. BECAUSE, I am of Opinion, the Address having a direct "*Tendency to infringe upon the Rights of an Individual*," and "*the Privileges of a Member*," is therefore arbitrary, unparliamentary, destructive of Freedom of Speech, derogatory to the ancient Dignity of the Council, and a contemptuous Insult to the People of this Colony.

3. BECAUSE, I have just Grounds to be assured, the Measure will not only "*destroy all Confidence of the People in this House, and bring it into Contempt*;" (to effect which, the Address declares I aim with "*a determined Purpose*;" and to prevent which, I even here give Evidence that I aim; altho' the House have been losing that Confidence, and have been falling into Contempt, *in Proportion* to the Increase of Placemen in it, and Display of their *Dependance* and *Abilities*,) but, that it will otherwise be detrimental to His Majesty's real Service: inasmuch, as the Natives of this Colony will be greatly discouraged from serving His Majesty and the Public in a Council, from which, they would run the Hazard of being suspended, *even by the Machinations* of three Members who are Place-Men. Indeed, already are Natives almost totally discouraged from sitting in Council; and this, is manifest when we reflect, that there are only eight Counsellors in the Province, of which Number, five are not only Crown Officers, but Strangers.

4. BECAUSE, The Complaint being only of a general Nature, it is to be presumed, nothing in particular could be stated; and therefore, in my Opinion, the Address must be considered as of a very frivolous Nature.

5. BECAUSE, The Address bearing a Position inconsistent with Matter of Fact, it will reflect the utmost Infamy upon the Chief-Justice who introduced it: A Load which I could with him to avoid, possessed as I am, with a zealous Inclination to promote his Majesty's real Service, too liable to be impeded by Public Odium against *an Officer sitting under a total Loss of Reputation*. The Address asserts, that "*the general Tenor of Mr. Drayton's Conduct for a considerable Time past*," shews that he "*has been, and still continues to be influenced by a determined Purpose as far as in him lies*," "*to subvert the Constitution and unhinge Government*:" hence, by not having limited the Retrospect, the Assertion most strongly insinuates, that my Conduct has been of such a dangerous Tenor even during several Years. But this is an Assertion, which not only wantonly, but *disrespectfully* militates against the Truth, *evidenced* by His Majesty's Royal Sign Manual and Privy Seal on the 27th Day of February 1771; when the King was graciously pleased to declare himself, "*well satisfied with the Loyalty, Integrity and Ability of our trusty and well beloved William-Henry Drayton, Esq*;" meaning myself; and also, by Royal Letters Patent, under the Great Seal of this Province, so late as the 25th Day of January 1774; declaring my Loyalty, Integrity and Ability, and constituting me to be one of the Assistant-Judges of this Colony: an Office which I possessed until the 9th Day of Dec. last, when, to make Room for a Gentleman sent from England, and regularly called to the Bar, I was superceded without the least Censure, notwithstanding a most violent Complaint by the Chief Justice to his Honour the Lieutenant-Governor, against me, touching an anonymous Publication addressed to the late Continental Congress. Which Complaint, *notwithstanding my most pressing Instances, that it should be brought to Issue*, was on the 6th Day of January last, by unanimous Advice of a Council composed entirely of Crown Officers, "*dismissed without any Censure upon any of the Parties*."

6. BECAUSE the Address is improper even in its main Purpose: For as it charges me with "a determined Purpose to subvert the Constitution and unhinge Government," if I am guilty, a Suspension is a Punishment by no Means adequate to the Offence. In my Opinion as the Chief Justice knew *the Man* possessed of "a determined Purpose," *so criminal and so dangerous*, for him to allow *that Man* to continue uninterrupted by the due Course of Law, was TO BETRAY THE TRUST *reposed in him by the King*. For, the Chief Justice would have demonstrated his Duty to the King, and his own Knowledge and Abilities as a Judge, had he, *ex Officio*, ordered a Prosecution to bring me to condign Punishment, rather than by having planned an Address to *move the extraordinary Powers* of Government to inflict a *slight* Punishment. The Rule, *Nec Deus intersit, nisi dignus vindice nodus* is as applicable to the Political as it is to the Poetical Drama.——Upon the Whole, but for the Reasons assigned, I should have been extremely well pleased with the Address, because in my Opinion it bears honourable Testimony of me. The Placemen in Council declare, that I have "a determined Purpose to subvert the Constitution;"—*hence*, I am confident, the People will be assured, that I am really defending it with Vigour.

WILLIAM-HENRY DRAYTON.

VAIN WALLER! write no more, at leaſt forbear
In your Addreſs to importune the Fair;
They only Friends to modeſt Worth will be,
And, from your Lines, it cannot ſure be thee:
How then can you their Approbation hope?
Have then their Genius ſuch a narrow Scope,
To countenance a Thing ſo poor, and mean,
Where neither Senſe, nor Rhyme is to be ſeen?
No, henceforth learn to know they only can
Admire and praiſe the truly worthy Man;
No Scribblers void of Senſe, who write to ſhew
They wiſh for more than they've a Right to do,
Muſt ever hope by a dull Application,
To gain the Ladies ſlighteſt Approbation.
